

Join the Team at Edward Tucker Architects, Inc.

Are you ready to create innovative designs in a dynamic and inspiring environment? Edward Tucker Architects, Inc., based in the heart of Huntington, West Virginia, is seeking a talented **full-time Architect** to join our thriving team. This role offers a unique opportunity to contribute to a wide range of renovation and new construction projects for higher education, healthcare, public and commercial clients. With our beautifully renovated mid-century studio as your home base, you'll be welcomed into Huntington's vibrant community. At Edward Tucker Architects, we empower our team to excel. Our strong base of repeat clients is a testament to our commitment to responsive solutions and attentive service. If you're a design professional looking to make a difference with your work, this is the opportunity you've been looking for.

Primary Responsibilities

- **Design Excellence:** Develop compelling conceptual designs and effectively communicate ideas through sketches and renderings.
- **Technical Expertise:** Produce detailed, coordinated construction documents that align with regulatory requirements, including NFPA, IBC, ADAAG and FGI Guidelines.
- **Collaboration:** Coordinate with consulting engineers and work closely with clients, the design team, and construction team to bring projects to life.
- **Project Management:** Establish schedules, meet deadlines, and ensure seamless project execution.
- **Construction Administration:** Conduct field visits and oversee construction progress with precision and care.

Your Skills & Expertise

- Proficiency in software such as Revit, Enscape, Lumion, Adobe InDesign and Photoshop, and Microsoft Office.
- Strong communication, problem-solving, and technical design skills.
- A collaborative mindset with the ability to work independently and as part of a team.
- Positive attitude, professional demeanor, and commitment to efficiency and quality.

Preferred Skills: CSI specification writing.

Qualifications

- Bachelor or Master's degree in Architecture from a NAAB accredited institution (Required).
- 8-10 years of professional experience, including 3 years of Revit experience (Required).
- Ability to commute to or relocate to Huntington, WV 25701 (Relocation assistance available).

Why Join Edward Tucker Architects?

We offer competitive compensation, a supportive team environment, and a comprehensive benefits package:

- **Salary:** \$70,000-\$95,000 per year with opportunity for bonuses based on individual performance and overall firm profitability
- **Benefits:** 401(k), health insurance, dental and vision coverage, paid time off, professional development, and more.
- **Schedule:** Monday-Friday, 40 hours
- **Extras:** Potential bonus pay, signing bonus, and relocation assistance for qualified candidates.
